Keeping families close®

A Village Full of Support

Colleen and Jason, thought they knew what to expect when preparing for the arrival of their fourth child. With an adult son, Kyler, and two young children, Sawyer and Charlotte, they had been through this before. But Baby Eleanor had other plans — arriving three months early and changing their lives forever.

A Note from **Our Heart.**♥

Dear Friends and Supporters,

As we step into a new year, we pause with gratitude for how far we've come, and with humility for the work that still lies ahead. At Ronald McDonald House Charities Northern Nevada, every day is shaped by one simple promise: to keep families close when it matters most. That promise guides every decision we make.

This past year asked a lot of us. And because of the dedication of our staff, volunteers, donors, and community partners, we rose to meet those challenges with compassion and care. Together, we strengthened our programs, expanded our reach, and ensured that more families facing medical crises had a warm bed, a hot meal, and a place that felt like home, just steps away from their child's care.

Behind every number is a family story. A parent who didn't have to choose between a hotel bill and a tank of gas. A sibling who found comfort in a shared meal. A child who slept knowing their family was close. These are the outcomes that matter most.

While we're proud of what we've accomplished, we know our mission is never finished. Each year brings new families, new needs, and new opportunities to show up with empathy and resolve. The road ahead will require continued investment, thoughtful planning, and the collective heart of everyone who believes in this work.

We enter the coming year with clarity, purpose, and hope, committed to strengthening the safety net for families when they need it most. Thank you for being part of this community and for helping us ensure that no family ever has to face a child's medical journey alone.

With gratitude,

Leif Pederson
Interim Executive Director
Ronald McDonald House Charities Northern Nevada

Mission

We provide essential services that remove barriers, strengthen families, and promote healing when children need healthcare.

Vision

A world where every family has what they need to ensure the best health outcomes for their children.

Purpose

Caring for families with children who are ill or injured.

Brand New Baby & A Bonus Family

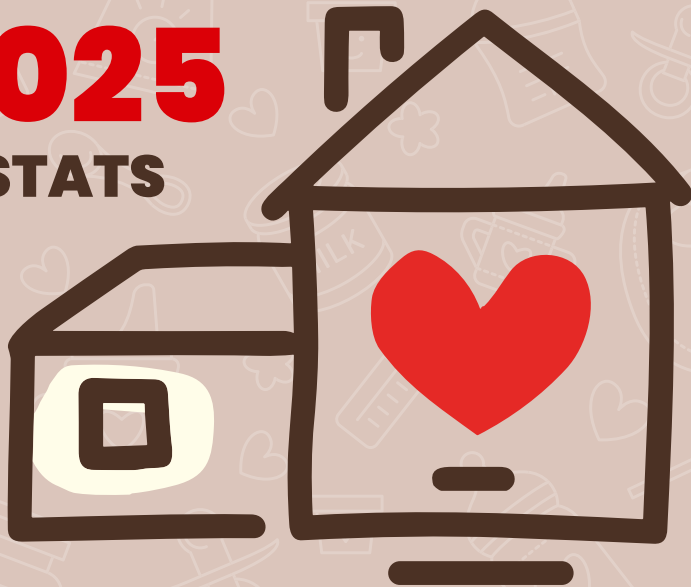

Kayla and Gree's journey to parenthood took an unexpected turn when they learned they were matched with Baby EmJ just five days after her birth in late October. Born prematurely at 36 weeks in Reno, EmJ needed extra care. Her new parents wasted no time hopping on a plane from Georgia to meet their little miracle.

Love That Keeps Us Close

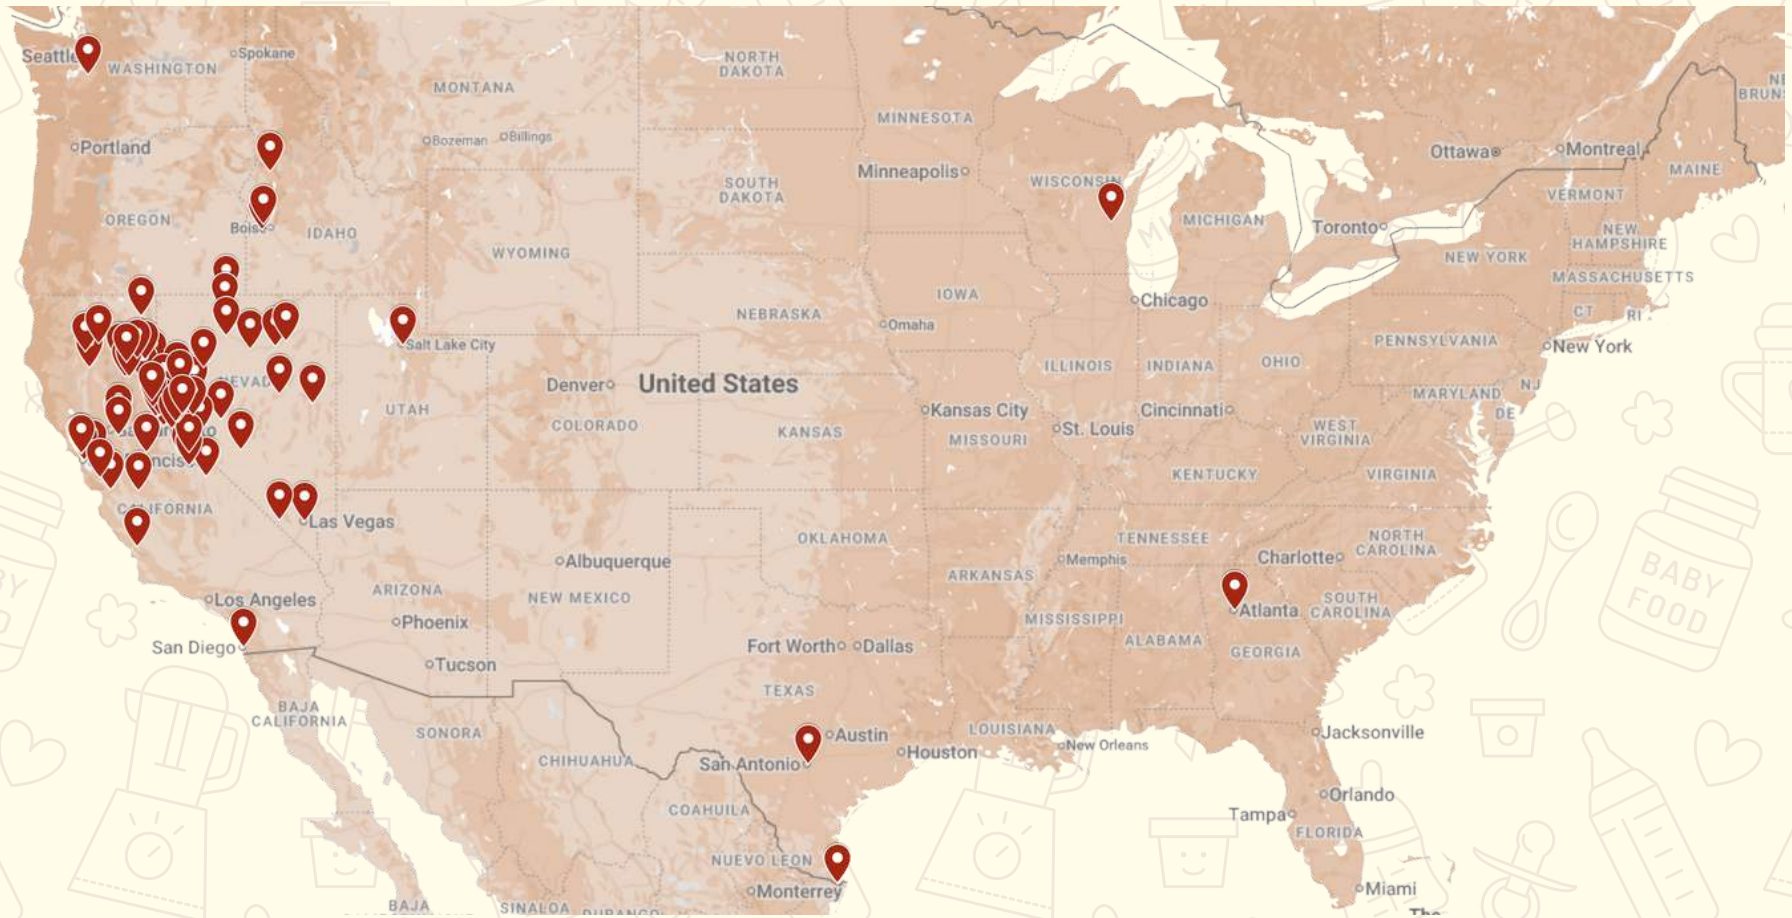

"It was, needless to say, pretty chaotic getting to Reno from Yerington,"

Jamis said. With kids in different wings of the hospital, parents were pulled in every direction — agonizing over each child's recovery.

Thanks to a community that supports families in crisis, they didn't have to face it all alone.

From Near and Far: Our Families' Journeys

Families come to Ronald McDonald House Northern Nevada from across the country, united by a single need: to be close to their child's care. No matter how far they've traveled, our House becomes a place of comfort, connection, and hope, so families can focus on what matters most: being together.

Fresh Colors, Brighter Days

With the generous support of **Glacier Peak Painting** and **Sherwin-Williams**, our beloved Victorian home received its first full exterior refresh in nearly 20 years. Inside, the incredible team from **Renown Health** rolled up their sleeves to paint 13 bedrooms and 15 bathrooms, adding warmth and comfort for the families who call our House home. From bright walls to full hearts, their generosity has made a lasting impact — keeping families close and our House feeling like home.

Helping Hands. **Big Hearts.**

Our volunteers and donors are the heartbeat of Ronald McDonald House Charities Northern Nevada. Every act of generosity helps make our House feel like home, from preparing meals, organizing rooms, and helping at special events to donating funds, food, and essential supplies. Their gifts of time, resources, and compassion keep families close when it matters most.
